Complete End User Education

Education to help your team maintain your organisation's security

The Complete Training Portal has key content for every aspect of your business, from Microsoft 365 to mental health in the workplace, personal leadership and management skills, to sales and customer care training.

The Complete Training Portal supports all your online training needs in one place with one login that can be accessed anywhere, anytime on a desktop, laptop, tablet or phone.

We are offering our clients 25 free licences for your teams to take full advantage of the portal. There is no limit on the number of short 3 minute courses your team can take. It could not be simpler.

If you would like more than 25 members of your team to have access to the portal, each additional licence is £5.

Subjects covered in the Complete Training Portal:

- Microsoft Teams
- Microsoft 365
- Windows 10
- Leadership and Management
- Customer Care
- All About Selling
- Mental Health in the workplace
- Cyber Security
